

## **FNS Responses to 2011 Hurricanes**

As of October 13, 2011, FNS has provided over \$80 million in Disaster Supplemental Nutrition Assistance Program (D-SNAP) benefits to 391,087 people in 249,025 households to help disaster survivors in 108 counties, 11 States and the Territory of Puerto Rico in response to the extended power outages and flooding caused by Hurricane Irene and Tropical Storm Lee. SNAP replacement benefits and USDA Foods for congregate and household feeding are also being provided to disaster survivors. FNS Regional Offices continue to work with States to determine what options and waivers in its food assistance programs might be used to address the needs of their SNAP participants and other disaster survivors as they continue to recover.

Specific FNS disaster food assistance responses by State/Territory so far include:

### **Connecticut**

As of October 13, 2011, FNS has provided over \$10 million in D-SNAP benefits to 19,391 households and 59,837 people in 8 Connecticut counties affected by Tropical Storm Irene.

#### **The State received FNS approval:**

- On September 16, 2011, to operate a D-SNAP in all (8) Connecticut counties, including Litchfield, Fairfield, Hartford, New Haven, Middlesex, Tolland, Windham, and New London due to Tropical Storm Irene that first struck the State on August 27, 2011, for 5 business days from September 21-27, 2011. Only households who resided in Connecticut at the time of the disaster will be eligible for the D-SNAP. For applications submitted by clients who were in line at the application site by September 27, 2011, benefits will be made available to eligible households within 3 days.
- On September 16, 2011, to issue supplemental benefits to all ongoing SNAP households in Connecticut.
- On September 2, 2011, to issue mass SNAP replacement benefits equal to 25% of the August 2011 allotment to all SNAP households in the State who began to experience power outages and flooding caused by Hurricane Irene on August 28, 2011. Households that already received replacements based on a signed affidavit of loss are excluded from the mass replacement process. If a household submits an affidavit after receiving the 25% mass replacement and requests an amount greater than the replacement benefit amount received, the household is only entitled to receive the difference between the requested amount and the amount previously replaced. Replacement benefits will automatically be issued to SNAP households by means of an automated credit to their Electronic Benefits Transfer card.
- On September 2, 2011, to extend the time for reporting loss of food purchased with August 2011 SNAP benefits and to request replacement benefits through September 19, 2011, if actual losses exceeded the 25% mass replacement amount and the household submits a signed affidavit.

## New Jersey

**As of October 13, 2011, FNS has provided over \$26 million in D-SNAP benefits to 90,460 households in 21 New Jersey counties affected by Hurricane Irene.**

**The State received FNS approval:**

- On September 22, 2011, to extend certification periods and postpone periodic reports for one month for any simplified case (households certified for 12 or 24 months and who report at 6 or 12 months) that is scheduled for a recertification or periodic report by October 1, 2011. These cases will be extended for an additional month without the need to recertify or file a periodic report. Any case which is scheduled for recertification by October 1, 2011, must be recertified by November 1, 2011. Periodic reports which are scheduled to be processed by October 1, 2011, must be processed by November 1, 2011.

- On September 4, 2011, to operate D-SNAP in (5) counties, including Bergen, Essex, Morris, Passaic and Somerset due to Hurricane Irene that first struck the State on August 27, 2011. Bergen and Essex Counties accepted applications from September 8-16, 2011. Passaic County will accept applications from September 7-22, 2011; Morris County will accept applications until September 20, 2011; and Somerset County will accept applications until September 22, 2011 (4-day extension approved on September 16, 2011.) Applications will not be accepted on Saturday or Sunday.
- On September 9, 2011, to operate a D-SNAP in (16) counties, including Atlantic, Burlington, Camden, Cape May, Cumberland, Gloucester, Hudson, Hunterdon, Middlesex, Monmouth, Ocean, Salem, Union, and Warren from September 12-20, 2011. Mercer and Sussex Counties will accept applications from September 21-26, 2011 (4-day extension approved on September 16, 2011.)
- On September 15, 2011, to issue automatic, mass supplements to ongoing SNAP households in Atlantic, Monmouth, Passaic, Somerset, Sussex, and Cape May (approved September 16, 2011) counties. For households in the (15) other counties with declared disasters, D-SNAP supplements may be provided to ongoing households via affidavit (approved September 9, 2011), except households who filed an affidavit for replacement SNAP benefits and households who did not request replacement SNAP benefits but who file an affidavit attesting to their disaster-related expenses. These households will receive automatic supplemental benefits.
- On September 16, 2011, to issue mass SNAP replacement benefits equal to 15% of the August 2011 allotments to households who resided in the counties of Atlantic, Cape May, Monmouth, Passaic, Somerset, and Sussex at the time of the disaster. Households that already received replacements based on a signed affidavit of loss are excluded from the mass replacement process. If a household submits an affidavit after receiving the 15% mass replacement and requests an amount greater than the replacement benefit amount received, the household is only entitled to receive the difference between the requested amount and the amount previously replaced. Replacement benefits will automatically be issued to SNAP households by means of an automated credit to their Electronic Benefits Transfer card.
- On September 14, 2011, to extend the time for reporting loss of food purchased with August 2011 SNAP benefits and to request replacement benefits through September 22, 2011, if the household submits a signed affidavit.

**Status of USDA Foods:**

- On September 1, 2011, the State received approval to provide 15,410 pounds of USDA Foods from State warehouses (Pennsylvania sent an additional 11,274 pounds of USDA Foods delivered on September 2, 2011) to the Community Food Bank of New Jersey where it is estimated 3,000 congregate meals will be served daily for the next 10 days to feed individuals sheltered in Northern New Jersey. The Food Bank will prepare the meals, which the American Red Cross and The Salvation Army will serve to the disaster survivors in shelters in the hardest hit areas of the State. Total amount of food is valued at \$27,631. As of September 9, 2011, the State was providing approximately 1,800 meals utilizing USDA Foods in affected areas in Northern New Jersey.

## New York

**As of October 13, 2011, FNS has provided D-SNAP benefits to 4,937 individuals in 3,068 households in 26 New York counties affected by Hurricane Irene and Tropical Storm Lee.**

### **The State received FNS approval:**

- On September 21, 2011, to operate a D-SNAP due to Tropical Storm Lee which struck the State on September 7, 2011, in (7) counties, including Broome, Chemung (approved September 23, 2011), Chenango, Delaware, Otsego, Schenectady, and Tioga beginning no earlier than September 23, 2011, and continuing up to 7 days (3-day extension for Broome and Tioga Counties approved on September 30, 2011.) Applications in Broome and Tioga Counties may be taken beginning no earlier than October 3, 2011, for 3 days. Applications will be taken in Chemung County from September 26-October 4, 2011. Individuals who suffered damage or food loss alone from Tropical Storm Lee and who resided or worked in the 7 aforementioned counties on September 7, 2011, will be considered eligible for D-SNAP benefits. No household may receive more than one D-SNAP or supplemental allotment during the benefit period, even if the household incurred expenses from both Tropical Storm Lee and Hurricane Irene.
- On September 14, 2011, to operate a D-SNAP in (11) counties, including Delaware, Essex, Greene, Orange, Schenectady, Ulster and Westchester from September 22, 2011, for 7 calendar days, and in Albany, Dutchess, Montgomery and Schoharie counties from September 22, 2011, for 7 business days. Individuals who suffered damage or food loss alone (approved September 21, 2011) from Hurricane Irene and who resided or worked in the 11 aforementioned counties on August 28, 2011, will be considered eligible for D-SNAP benefits. No household may receive more than one D-SNAP or supplemental allotment during the benefit period, even if the household incurred expenses from both Tropical Storm Lee and Hurricane Irene.
- On September 14, 2011, to issue automatic supplemental benefits up to the maximum allotment for household size to ongoing SNAP households who resided in the following counties and zip codes at the time of the disasters: Greene, Schoharie, Tioga, and Ulster and the zip code areas of Westchester County including, Bedford (10506, 10507), New Castle (10514), North Castle (10504), Mount Kisco (10549), North Salem (10560), Pound Ridge (10576), Yorktown (10588, 10598), Somers (10589), Lewisboro (10590), Ossining (10562), and Mamaroneck (10538) once the State provides FNS with information such as the caseload and estimated amount of supplemental benefits to be issued. Ongoing SNAP recipients in Albany, Broome, Chemung, Chenango, Delaware, Dutchess, Essex, Montgomery, Orange, Otsego, and Schenectady counties and the remaining areas of Westchester County may receive supplemental benefits upon completion of an affidavit attesting to their disaster losses or if they filed an affidavit for replacement SNAP benefits due to losses from Tropical Storm Lee.
- On September 14, 2011, to issue mass SNAP replacement benefits equal to 25% of the August 2011 allotment to households who resided in the counties of Greene, Schoharie, and Ulster, and in the following localities within Westchester County: Bedford (10506, 10507), New Castle (10514), North Castle (10504), Mount Kisco (10549), North Salem (10560), Pound Ridge (10576), Yorktown (10588, 10598), Somers (10589), Lewisboro (10590), Mamaroneck (10538) and Ossining (10562) on August 28, 2011. Households that already received replacements based on a signed affidavit of loss are excluded from the mass replacement process. If a household submits an affidavit after receiving the 25% mass replacement and requests an amount greater than the replacement benefit amount received, the household is only entitled to receive the difference between the

requested amount and the amount previously replaced. Replacement benefits will automatically be issued to SNAP households by means of an automated credit to their Electronic Benefits Transfer card.

- On September 7, 2011, to extend the time for reporting loss of food purchased with August 2011 SNAP benefits due to power outages caused by Hurricane Irene and to request replacement benefits through September 30, 2011 (approved on September 27, 2011), if the household submits a signed affidavit.
- On September 27, 2011, to extend the time for reporting loss of food purchased with September 2011 SNAP benefits, due to power outages caused by Tropical Storm Lee and to request replacement benefits through September 30, 2011, if the household submits a signed affidavit.
